REQUEST FOR CORRECTION OF ERROR  
IN SUBMISSION OF PRIORITY DOCUMENTS

Sir:

Applicant filed a Submission Of Priority Documents on September 26, 2001 along with certified copies of the priority documents for the above-identified application. However, the header information listed on the Submission Of Priority Documents incorrectly lists the application number as 09/918,455 instead of the correct application number: 09/918,499.

Applicant respectfully requests that the certified copies of the priority documents be transferred from the file of Application No. 09/918,455 to Application No. 09/918,499, where it correctly belongs. A copy of the Submission Of Priority Documents, a copy of the receipt postcard listing the correct application number of 09/918,499, and a copy of the cover pages and the drawings from the certified copies are enclosed.

Also enclosed is a copy of the official Filing Receipt for this application, Application No. 09/918,499, indicating that it claims priority of the following Japanese

applications:

2000-233233, filed August 1, 2000; and

2001-234089, filed August 1, 2001.

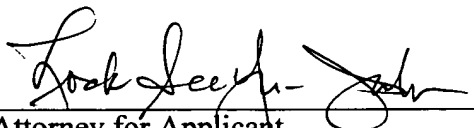

Those applications are the same as the ones listed on the enclosed copy of the Submission Of Priority Documents. Thus, Applicant submits that the certified copies of the above-identified priority documents clearly belong in the file of Application No. 09/918,499.

The incorrect listing of the application number is the result of typographical and clerical errors and is not the result of any deceptive intent.

No fee is believed necessary in connection with this Request. If, however, a fee is required in order to have this Request considered, the Commission is authorized to charge such fee to Deposit Account 06-1205.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
